Pursuant to the Court's April 4, 2019 Order, ECF No. 104, Defendant respectfully submits the following status report, informing the Court of SSA's progress in completing the windfall-offset recalculations for the Class.

Recalculations are in progress for all class members.¹ To date, it has completed Part 1² for 27,466 cases, which are awaiting quality review. An additional 100,745 cases are being processed in Part 1. SSA has completed Part 2 of the recalculation process for 788 cases, which are awaiting quality review. An additional 413 cases are being processed in Part 2. Finally, 73 cases are being processed in Part 3.

¹ Four of the 129,695 class members were found to be duplicates, so the total class number is 129,691 individuals.

² The windfall-offset recalculation is completed in three distinct phases, requiring coordination between agency field offices and processing centers. The steps required for Part 1 of the recalculation are set forth in Janet Walker's February 21, 2019 declaration in paragraphs 15 through 20; Part 2 is explained in paragraphs 21 through 29; and Part 3 of the recalculation process is expounded in paragraphs 30 through 41. *See* ECF No. 96-2. The quality review process is also described in paragraph 9 of Janet Walker's April 2, 2019 declaration. *See* ECF No. 102-1.

To date, SSA has completed³ 206 recalculations, 190 of which have been completed since April 1, 2019. Of those 206 recalculations, underpayments were due and released in 129 cases, totaling \$185,000 prior to withholding for payment of class counsel's fee. No underpayments were due in 77 cases. No overpayments have been assessed.

Respectfully submitted,

³ Because fees for class counsel have not yet been determined, “completed” in this context refers to the completion of the recalculation and the issuance of any underpayment, if due, while withholding 20% of the underpayment for payment of potential attorney fees.
